Keywords: medicine, scientific articles, conference, preface

Preface

Dear colleagues and friends!

We suggest you to see a collection of scientific papers of the International Scientific School "Paradigma" on the direction "Medicine".

It is prepared by Bulgarian and Russian doctors and specialists in related disciplines, as well as by their authors-colleagues from other foreign countries. The event held by scientific journal "Humanitarian scientific journal" and the Research Studies Institute "Paradigma" with the activity and initiative of the staff members of authoritative "Portal of postgraduates" [www.aspirantura.spb.ru], and with the participation of authoritative scientists who is included in the Organizing Committee of the conference, turned the idea to this international forum.

Nearly seven decades of materials were received by the Organizing Committee and the editorial board of the "International Summer School "Paradigma"- Summer - 2015" on various areas of medical sciences. Among the authors there are well-known scientists in many countries and young generation going to replace them and to present to the reader their materials written joint with mentors.

This volume presents the part of scientific articles of the authors participated in the "International Summer School "Paradigma"- Summer - 2015". These articles are published on the basis of an agreement between the Organizing Committee of the school "Paradigma" and the

Science Book Publishing House (Yelm, WA, USA).

We have no doubt that every reader will find information, which he can use in everyday scientific practice and improve the quality of care for our patients, what is the most important result of our activities. In addition, there is no doubt in the fact that the articles of this collection will give new impetus to the development of the complementary science of human health, the ways and methods of achieving an active, long and full life.

We wish our potential readers and authors to have the new ideas and success in their initiatives! Best wishes!
